## **Notice on the Requirement of Address Proof**

For the effective delivery of major updates and relevant information to you, please be reminded to present the original copy of your latest residential address proof under the following situations:

- Change of permanent / residential address
- Reactivation of account
- Update of account information

Valid address proofs include utility bills, electricity bills or account statements issued by banks, must be issued within the recent three months and with the account holder's name(s) specified on the documents.

For more information, please visit one of our branches or contact us at (853) 8599 2256.
